SO MUCH FUN

“I have never done any modelling before but it was such a great start! All my friends had so much fun...it was the best party ever!”
Mia Ciciulla (age 8)

“I love that everything is taken care of and you can walk away knowing that the girls are in great hands. This year was our 3rd party at SJ - my daughter just loves it! The staff are beautiful and flexible to accommodate our various needs. It’s a wonderful experience.”
Soula Patros

“I was really happy with the party – it was absolutely perfect for my 13-year old daughter and her friends. The thing I really noticed was that during the party all the kids looked like they were happy, confident and having fun - even the quieter ones got involved and had a ball.”
Wendy Adams

“From a mother’s perspective it was great that the focus was on building the girls’ confidence - there was one little girl who was so shy and did not want to participate yet the SJ staff were genuinely encouraging and she ended up having a wonderful time. It was a very positive experience.”
Joanne Ciciulla (Mia’s mum)

“I found your staff highly professional and really lovely with the girls and their parents. The hair and the make-up was perfect (and age appropriate) and the party itself was a credit to your organisation. Thank you once again for the joy you gave my daughter for her 13th birthday, it will be memorable not only to her but her friends too.”
